What a successful week we have enjoyed at St Winefride's! Our Celebrations of Learning so far have been a wonderful opportunity for the children to share their hard work, achievements and enthusiasm with their families. It has been lovely to see their pride as they show you what they have been learning. Thank you to everyone who has joined us—we look forward to welcoming the rest of our parents and carers next week to celebrate more of the fantastic learning taking place across school.

Prayer/gospel focus for the coming week:

The 29th Sunday in ordinary time

THE GOSPEL IN CHURCH Sunday 18th October

The Pharisees devised a plan to trap Jesus. They sent some of their followers who said to him, “Teacher, we know that you are an honest man and teach God’s way with honesty. We also know that you are not afraid of anybody: someone’s rank means nothing to you. Tell us, then, what you think about this question. Is it right to pay tax to the Emperor Caesar or not?” Knowing what they were up to, Jesus said, “Why do you set this trap for me? Show me the money you pay the tax with.” They handed him a coin. He said to them, “Whose head is on this coin, and whose name?” “Caesar’s,” they replied. “So then,” he said to them, “give back to Caesar what belongs to Caesar – and to God what belongs to God.”

Virtue of the week:
Responsible Citizenship

I play my part to look after the
environment

My commandment is this: love one another,
just as I love you. John 15:12-17

Whole school
attendance this week is

95.06%

**Good attendance (above 96%) is
essential if children are to make
good progress in their learning
and to close gaps. Please try to
make sure your child is in school
every day possible.**

Do we need AI wherever we go?

META/CNET

In the news this week

Meta has created the Muse Charm, a small device that can fit in a pocket or hang from a keyring. The Charm uses Muse, Meta's artificial intelligence (AI), so people can talk to it, ask it questions, and show it what is happening around them. It is designed for adults over the age of 18, and Meta aims to have the new device ready to buy by December.

Things to talk about at home ...

- > Do you use any AI at home or school at the moment?
- > When do you think technology can be helpful in our everyday lives?
- > What rules might help people use an AI companion safely?
- > Talk to someone older at home about what it was like to find information out before the internet, AI and other similar technologies.
